# Herald of Good TIDINGS

*“Get you up to a high mountain, O Zion, herald of good tidings; lift up your voice with strength, O Jerusalem, herald of good tidings, lift it up, fear not; say to the cities of Judah, ‘Behold your God!’”*

## The Future and the Good Old Days

Did you ever think you would live in 2018? I didn't. Growing up I was sure the USA and USSR would launch a nuclear war that would end the world. 2018 was a science fiction future with flying cars and commuter travel to the stars. Still no flying cars, but they say we will soon have robot chauffeurs. Plus, in our smart phones we have something very close to a *Star Trek* communicator.

So, today is the future. It is also the good old days. For the little boys and girls in Here We Grow and cradle roll, 2018 will be the time they look back to when life was so simple. They will remember Grammy and Grampy and just how wonderful it was when they were little.

That is the nature of time. It changes as we age. When we are little, we forget or do not understand the scary things going on. I remember being really upset that *Gilligan's Island* was not on TV; President Nixon was resigning that day. I remember telling my mom that I saw a gorilla wearing a hat. It was the Palestinian Guerrillas who had taken hostages at the Munich Olympics.

Those big events made no sense to me at 4 or 6. I was worried about if lunch would include something junky. I worried about having to take a nap like a baby when I was really a big boy. The greater world was not my problem.

Sometimes I wish that was still true. At the moment, the news has me worried about the missiles in North Korea and fires in California. Plus, there are other stories they want me to worry about, but have failed to actually spark my interest.

Will any of these so called news stories actually change my life? Or am I worried for nothing? At the moment I know quite a lot about the so called British royal family. What possible impact will a British baby and wedding have on my life?

As I said last year after the election, the happenings in our family will determine our happiness much more than world events. Babies and diagnoses in our family will be much more important than world events.

We live in the future. We are making the lovely good old days for a new generation. I pray we all do a good job.

God bless you,  
Pastor Brian

On February 20th at 5:30 p.m. we'll view the movie, *War Room*. "With great jobs, a beautiful daughter and a dream house, the Jordans seem to have it all. Their lives take an unexpected turn for the better when Elizabeth meets her newest client, Miss Clara, who encourages the couple to find happiness through prayer."

## **Happy New Year!**

January is National Cervical Health Awareness Month, National Birth Defects Awareness Month, National Blood Donor Month, and National Glaucoma Awareness Month.

January 7th - 13th is Folic Awareness Week

January 18th- 24th is Healthy Weight Week

A reminder to all about the health table in Fellowship Hall. I go to health fairs throughout the year to gather new information. Please help yourself. There are pill set ups that I get, as well as a few other free items. You can always get them for a "friend." I use a pill set up, especially working the night shift and an irregular schedule; I need a set up! Also, please remember the closet with walkers, wheelchairs, tub seats, etc. The items come and go; so if you need something, it could be there one day and gone the next. If you know you or someone will need something following a surgery, take it while it's there.

God Bless!

January *Tidings* from Here We Grow Preschool

January has arrived with all the cold. We hope you all had a wonderful and relaxing holiday. We are still bundling up to go outside when possible, fresh air is so good for the children and teachers. If the weather is too cold outside, we will be having our gross motor time in the vestry. We feel so blessed to have this space available to us.

Our 3-year-olds had their Christmas programs on Dec. 21<sup>st</sup> with a sing-a-long in the classrooms with family and friends. The 4-year-olds had their concerts in the morning and afternoon on Dec 21 and 22. A great time was had by all, and parents were very generous with the goodies for our 4-year-old parties. A big thank you goes out to Pastor Brian for helping us arrange a "special visitor" for the children.

We collected toys in conjunction with the Auburn Police Department's "Secret Santa" program. Family support was great; we filled our large box multiple times and were able to help make the holiday special for some Auburn families.

Enrollment forms for next year have gone out in-house and we are already filling spots. We will continue in-house enrollment until the end of January and then we will open it up to new parents and children. If you know of anyone looking for a preschool, we would be happy to hear from them. **Open House will take place March 6, 2018.**

In February families will be selling tickets for our calendar raffle fundraiser. Beginning March 1<sup>st</sup>, we will be picking a winner every day for 31 days. If you would like a chance at winning some great prizes, please speak with a parent or staff member. Thanks to all.

We wish everyone a Happy New Year.

Here We Grow Staff

**ATTENTION:** We are in need of someone (or a group) to volunteer to run the February supper scheduled for February 17, 2018. If no one volunteers to come forward, we will be forced to cancel the supper. If interested in helping out by preparing the supper, please contact Stan MacPhee. Did you know? Each year the church suppers raise over \$2,600 for the church's general fund!

### FROM THE DIRECTOR OF RELIGIOUS EDUCATION

Happy New Year to all! Wow! Another year has ended and I can't believe it! During this festive, yet hectic, time of year, try to steal away a few minutes with a cup of tea or hot cocoa and reflect on all the trials that God has helped you through this past year, as well as all the blessings you have received.

Sunday School performed "Sing a Song of Christmas," our Christmas pageant this year. I want to thank everyone who participated in this wonderful program, especially Rebecca who selected the script, chose costumes, procured "volunteers" to play a role and directed the pageant.

Parents' Night Out was a HUGE success! We had 18 children ranging in age from 1-11. The YOM teens concluded the night with a Christmas party and Yankee Swap.

Thank you to all who contributed in any way to the annual cookie walk. I do not have totals as of this writing, but I will let you know how we did. I hope you enjoyed your treats with someone special.

YOM is on the move! This month, January 26-28, we will be driving to Monadnock Bible Conference for our Encounter HOPE weekend. The theme this year is: KNOW HOPE.

We will tackle the difficult aspects of life and provide answers to help overcome the stress and anxiety of life that is crippling teens today. The answer: the author of Hope — Jesus Christ.

Here are a few of our activities:

Biblical & Dynamic Teaching

Extended Group Discussion Times

Indoor Heated Swimming Pool

Engaging Worship

Speedball Course (paintball)

Group Games & Activities

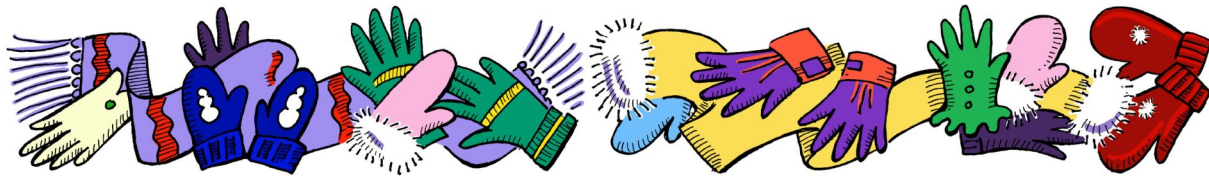

Indoor Mini Golf

Tournaments

Snow Tubing

Please be in prayer for everyone attending, both teens and chaperones. This is the first time for many, but we have some seasoned veterans to help show them the ropes. Thank you for all your help throughout the year so we are able to send everyone that would like to attend.

Jean McPherson, Director of Religious Education

The Outreach Committee, on behalf of the church, provided the following new items to the children of Columbus Park Elementary School:

At \$15 apiece, they will make a great addition to your own kitchen library as well as a wonderful gift for any occasion. ### From the Church Secretary

**Thank you so very much** for all the thoughtful ways you remembered me this Christmas. Cards, goodies, gifts, phone calls all served to brighten my holiday and further endear you to me. Once again, you have been extremely generous and a simple "thank you" seems so inadequate in expressing my heartfelt appreciation for all of you.

May the Lord richly bless you for your thoughtfulness.

Denise
