

Herald of Good TIDINGS

"Get you up to a high mountain, O Zion, herald of good tidings; lift up your voice with strength, O Jerusalem, herald of good tidings, lift it up, fear not; say to the cities of Judah, 'Behold your God!'"
~ Isaiah 40:9

FROM THE PASTOR

Is Columbus Day popular here in Massachusetts? In South Dakota, Columbus Day is more often called Native American Day. In both states most people do not think about the reason for the holiday. Is that an old man complaint? "In my day we knew the history behind our holiday, but kids today..." Did we ever care about the reason for the holiday more than celebrating the holiday?

Columbus Day does not celebrate Columbus' birthday; it commemorates the day he "discovered" America. Soon he discovered Natives of America and took some back to Europe as slaves. The Native Americans commemorate this day as the start of the war of extermination; Europeans fought against Natives. Native American Day is a day of loss.

Christopher Columbus went on a dangerous journey. He opened up new lands to Europeans. The continent changed radically over the next 500 years. Was that change good or bad? It was good for me, my family, and my ancestors. I know Lakota (Sioux) who do not see the last 500 years as good for them. Ancestors died, tribes were destroyed, the old ways were lost.

Thinking about the destruction that Columbus brought is something we try to avoid. It is unpleasant. We prefer the Columbus of, "In 1492, Columbus sailed the ocean blue." That is if we even think of anything more than, "Yayyy! a 3 day weekend."

This month we are having a fall fair on Columbus Day weekend. It is the return of an old event. There are jewelry groups and craft groups meeting weekly to prepare for the event. I will have a pet blessing out on the lawn from 1-3, Saturday, October 11th. Plus, we will have our usual pumpkin patch.

All these events are meant to be a time of celebration, fellowship and blessing. We hope to raise money for the church. But it is also a time to get together — have fun, be productive and build a stronger community, both in our church and town.

That would be a good use of Columbus Day, to try to bring people together instead of tearing people apart.

Have you included the church in your will or estate planning? Please prayerfully consider if the Lord would have you remember your church when completing your will.

New Member Classes will be starting October 12th following worship in the conference room.

FROM THE DIRECTOR OF RELIGIOUS EDUCATION - TIDINGS OCTOBER 2014

Welcome to October! This weekend is the start of the pumpkin patch. Youth On a Mission (YOM) and the new confirmation class, along with MANY others will be unloading the truck to transform our front lawn into Auburn's original pumpkin patch. Thank you to all who help.

YOM will be meeting on October 3rd at 6 p.m. for a sleepover followed by breakfast on Saturday to fuel them up for the pumpkin delivery.

YOM's pie sale fundraiser will run Oct. 5-19, with pie orders arriving in time for Thanksgiving. Mouth-watering flavors include: apple-raspberry, chocolate cream, hi-top apple, banana cream, apple crumb, bumbleberry (which includes apples, cherries, raspberries, blueberries and blackberries), pumpkin, chocolate peanut butter cream, blueberry and strawberry-rhubarb.

Confirmation class began on September 7th. This year's Confirmation class consists of Amanda Carlson, Chris Clifford, Zach Lazerick, Haydn McPherson, Jennifer Premo, Mac Rice and Eric Rockwood. When you see them, as they participate in the service, please introduce yourself and encourage them as they begin their journey to become members of our church family.

The Sunday school has a new look! Please come down and see our new rooms. They are much brighter and full of color.

This year we have a new curriculum. Our primary need is bodies! For last year's curriculum we needed teachers, this year we only need volunteers to ASSIST the lead teacher. We need extra hands to help cut, turn on a video or get projects ready. I am trying to make this as stress free as possible. Please consider helping out, or at least take a look at all the changes that were made this summer.

Another change is the children will only be up in service on the fourth Sunday of the month. This is because with the new curriculum we need a whole hour for lessons. The fourth Sunday the children will be upstairs so that those involved in Joyful Noise can sing and we can all support them.

If anyone has any questions about the changes or would like to volunteer, please call me or come downstairs to the Sunday school room.

Jean McPherson

October Fuel Fund

This is a friendly reminder that in October there is a special offering envelope for the Fuel Fund. This is one of four Fuel Fund special offering envelopes that can be found in your offering envelope packets. All money donated through this offering envelope stays in the Church and goes directly towards the heating expenses of the building. With the continued rising costs of fuel, please consider making a donation to the Fuel Fund this fall to help offset these expenses.

FINANCIAL WELLNESS

The Prudential Committee has held three meetings with representatives of the Trustees and Stewardship Committee highlighting the current financial position of the church.

Living Within Our Means was the theme of the meetings. We encouraged the Stewardship Committee to be energetic in its solicitation of pledges and the Trustees to be respectful of a **Reasonable Budget/Deficit** that can be fully supported through pledges and fundraisers.

Our years of operating beyond our income has to be brought under control. As we go forward, the church members will be called upon to pledge and to vote on a church program that we can support.

Please be mindful of the \$20,000 deficit in the current 2014 fiscal year budget that is above and beyond our current income. That deficit can only be solved with increased member giving or modification of our church program.

FROM THE BOARD OF CHRISTIAN OUTREACH

October 5th, 2014 is the one day event called *Day for the Hungry*. This event supports "Love In Motion's" (the group Jen & Randy Bohn travel with to Haiti) goal to distribute 4,000 bags of food on Christmas Eve 2014 and 4,000 bags of food on Easter 2015. Each bag contains food for a few days and, more importantly, a gospel presentation in Haitian Creole. The goal is to raise \$50,000 and we believe nothing is impossible for God. We have seen Him move churches and individuals alike to great places of generosity to meet this practical and spiritual need. Thank you in advance for your support.

Library Tidings by Gloria Whitehead

The Library committee expresses many thanks to the custodian who did such a good job of recently washing and waxing the floor in the Children's Library. Doing the same to the windows in that room would really call it to smile.

Further, after the church service on Sunday, September 7th, Ron, Connie, Emily and Kelsea Hanks went down to the Children's Library (which had been jostled about for the floor job) and with a tad of a veteran's help, transformed its appearance into a very inviting spot for the youngsters to go to browse for books and relax. With Here We Grow borrowing once a month, it's an additional plus.

With all of the preceding and the Columbus Day weekend Fall Extravaganza fast approaching, "What could be sweeter" than, RIGHT NOW, to pull tired books from the libraries. That doesn't mean to pull every older book from the shelves (that would present another problem) but, between the children's and adult libraries we'll supply some good, saleable material.

If there's a book that you feel needs to be justifiably "dismissed" just place it, #1) under the display table in the Adult Library and, #2) on the bottom left shelf in the Children's Library. The committee will take action and thank you.

In contrast, if there is a book that you feel would be a welcome addition to either library, jot the name and author down on a piece of paper and give it to a committee member: Jean McPherson, Debbie Pranaitis, Charlotte Steffen or Gloria Whitehead.

On another note, we noticed that 2 DVD's of Rev. Knox's retirement service are missing. Please take a look around your home to see if you might have a copy.

Just a quick P.S.

While helping re-organize on that Sunday several weeks ago, Kelsea Hanks saw only 2 Harry Potter books on display. There'd been some mishandling of several volumes which, with her special discount, she ordered for us from the category of good or new or in good condition. Added were, *The Unofficial Harry Potter Cookbook* and *The Tales of Beedle the Bard*. Thanks, Kelsea.

Consecration Sunday, October 19th

Consecration Sunday is October 19, 2014. It will be here before we know it! We are asking you to make a financial commitment to God and our church for 2015. Please prayerfully consider your commitment -- while keeping in mind all the surprising gifts we receive from a generous, loving God.

Please plan to be in church on October 19 to return your pledge card and share in a light thank-you brunch following worship.

DRIVEWAY FUND UPDATE:

In June we reported that we had raised \$22,815* toward our goal of \$29,685 needed to retire the driveway debt.

At this time, we need only \$2,540 to reach our goal! Just one more push will retire this debt. THANK YOU to all who answered the call thus far.

Please help us pay for that last bit of rock and tar on our nice, flat parking lot.

Thank you.

Here We Grow Preschool

While we welcome in the beautiful month of October, **Here We Grow** begins its 26th school year. The staff and most of the children have settled into a nice routine. I am happy to report that the majority of crying has stopped, for the children and the parents.

Here We Grow began the school year with 37 three-year-olds and 69 four and five-year-olds. At this time we have a few openings in the A.M. & P.M. three-year-old class and a few openings in the four-year-old A.M. & EXT. day classes. If you know of someone who is looking for a two day afternoon program for their three-year-old or a morning three day program for their four-year-old, please have them call the school at 508-832-8184.

Our one new teacher has settled in nicely with the help of the returning staff. Gina Basili is working with Helen Ethier in the morning three-year-old class and the four-year-old afternoon class. All of our returning teachers are doing what they do best, helping and supporting each other for the good of the children and the school.

During the month of September the children became familiar with their teachers, new friends and new surroundings. They had a tour of the entire building and met Denise and Pastor Brian.

Each child received homework the second week of school. Continuing on with one of our traditions, the children created a picture page of their families and added it to their classroom family album. It is one of the ways we become familiar with the many different types of families attending HWG. It is also a great way for the children to open up to someone, just by talking about their families.

We had a great parent turnout for Parent Orientation which was held a week before school started. Many questions were asked and answered with the hope that any and all fears were put to rest. For the 5th year in a row we offered a "Meet the Teachers" time before the actual first day of class. Again, we had a good turnout.

Starting the first day of school, all the children are taught our prayer that we say before our snack and lunch times. Many of the children teach their families the same prayer at home. I would like to share the prayer with you and again, thank Gloria Whitehead for finding this prayer for us.

*Thank You for the World so sweet
Thank You for the food we eat
Thank You for the birds that sing
Thank You God for everything.*

I would like to thank Marc Vandall, Dave Sampson, Wayne Prouty and Sue and Stan MacPhee for all the help they did in preparing HWG for another school year. We wouldn't have been ready without their continued support. So THANK YOU!

In case you haven't heard, I will be retiring at the end of this school year. I have been in the field of early childhood education for 30 years, the first 5 years at Jack & Jill Preschool and the last 25 years at Here We Grow Preschool. I have had the opportunity to meet many wonderful people and families, both at the preschool and at the church. I will have many memories to carry me through my retirement years, mostly all good (ha, ha). Thank you for the support and friendships you have showed me during my years at First Congregational Church of Auburn. Please help me to welcome Gina Basili as the new director of Here We Grow Preschool, starting the 2015 school year.

Upcoming events for the month of October: apple orchard field trips, visits from the police and fire departments, and Halloween parade and parties.

Until next month, enjoy the beautiful colors of fall and stay healthy.

Thank you to all who participated in the flu shot clinic. It was a positive experience once again, and each year we increase the amount of flu shots given.

Hand washing is very important now that we're getting into flu season and to help avoid the viruses that are coming around.

A reminder about the closet with medical equipment, some parishioners were able to borrow items recently and that's what the closet is all about. If it's there, borrow it, if it isn't.....sorry! I also recently lent out my electronic blood pressure cuff to someone on a new medication. I'm willing to lend it out. It's not in the closet, so please see me.

Last, but not least, Happy, SAFE, Halloween!

God Bless!

SERVICE OF
Remembrance

MEMORIAL SUNDAY ~ 10 A.M. OCTOBER 26TH

We have designated October 26th as Memorial Sunday. At this special worship service we remember church members that we have lost in the past year. Also during this service, congregants will have an opportunity to come forward and receive a flower and light a candle in memory of a loved one.

This service of remembrance has proven to be moving and very special to those who have lost loved ones, so please mark your calendars for October 26th, and plan to join us on Memorial Sunday.

Jean needs to know how many people would like to participate in the EcoTarium’s annual Great Pumpkin Fest. As you may recall, for every pumpkin you carve (they supply the pumpkins), you will get a free ticket to the Festival to be held on Saturday, October 25th from 2-9 p.m.

Please see the sign-up sheet on the Sunday school bulletin board in Fellowship Hall and indicate how many pumpkins you’re requesting.

RACHEL’S TABLE

Dear Friends —

Rachel’s Table, a hunger relief organization that uses volunteers to transport donated food to shelters, soup kitchens, day program, group homes, and food pantries, is in **urgent need** of volunteer drivers to help us pick up and deliver donated food from your area. Good food will go to waste if we cannot pick it up.

Volunteers are needed **during the day on weekdays**. Drivers use their own car and hours are flexible — you determine the amount of time you want to give. There is a stipend for the gas that you use.

Please call Carla Szymanski or Lissa Kasakoff at Rachel’s Table, 508-799-7699, or email: lissakasakoff@gmail.com. You may also go to www.rachelstable.org for more information.

Thank you so much for helping us to help the hungry!

Sincerely,
Carla Szymanski
Director
