# *Herald of Good* TIDINGS

*"Get you up to a high mountain, O Zion, herald of good tidings; lift up your voice with strength, O Jerusalem, herald of good tidings, lift it up, fear not; say to the cities of Judah, 'Behold your God!'"*

## FROM THE PASTOR

As I write this, it is the day before the end of the Mayan calendar, and a week after the tragedy in Newtown, Connecticut. Things are in turmoil. I heard that Homeland Security spent money on a plan in case zombies attack! I hear sports radio hosts talking about buying emergency meals in bulk at Costco. People are worried. Why?

There were dire predictions of what would happen if Obama was elected. There were dire predictions of what would happen if Romney was elected. Television news (maybe all news) sells fear. CNN and Fox News had their best ratings right after 9/11, when the whole nation was in shock and panic. If I think life is good, I skip the news channels. Only when there is a storm coming or some big tragedy do I tune in. Bad, scary news is profitable for the news industry. As I write this, Newtown is begging the news people for some peace and decorum. Will they get it?

In all of this talk of the end, in all the fear, we forget the signs of new life. Violence and crime of all types are down from the highs of the 1980's and 90's. The poorest American is richer and healthier than even the richest person was 1000 years ago. Yet are we happier? Probably not.

A researcher found that if you give a child a gift, that child is happier than if you give that child a choice of gifts and then give them the preferred gift. It seems the child questions whether what she/he got was really the "best" choice. By choosing, some doubt comes in to dampen the child's happiness. In America we have lots of choices and our kids have choices we never had; soccer versus Scouts; baseball versus swimming lessons. The choices are endless and researchers tell us that with choice comes worry and regret.

I am sure the world will not end soon. Neither Mayans, zombies, or mass killers worry me much. What worries me is how happy and blessed we all could feel, and yet . . . sorrow, worry, and regret prevail.

I think our ability to overlook the blessings we receive is best expressed in the words of a song.

Count your blessings, name them one by one,  
Count your blessings, see what God has done!  
Count your blessings, name them one by one,  
And it will surprise you what the Lord has done.

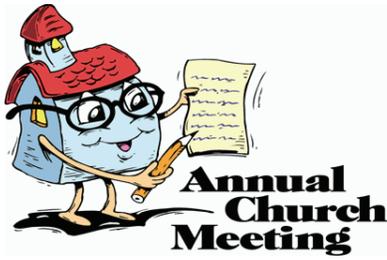

I wish you a blessed New Year and may you feel blessed.

- Pastor Brian

I have information about medical alert systems that Doug Brothers installs and services. Take a brochure from the table in Fellowship Hall, or see Doug if you have any questions. These are great for people that live alone! It is a great gift idea, perhaps an early Mother's Day or Father's Day gift, or just peace of mind for family members!

Some church members have volunteered to provide transportation to doctor appointments. If you need a ride, please see me. Also, if you need medical equipment; i.e., walkers, tub seats, wheelchairs, etc., please check the closet on the first floor just inside the entrance of the educational wing. Items come and go, so if it's there and you need it, please help yourself.

My last comment is: **hand washing!** It's that time of the year, when good hand washing can help prevent the passing of cold and flu germs.

### *Here We Grow* Preschool Welcomes in the New Year

Another year has come and gone and we begin 2013 with renewed enthusiasm. We successfully sang our way through the holidays and are now looking forward to settling in for a long, beautiful winter. Hopefully, you and your families had a wonderful Christmas and are looking forward to the New Year and what it has to offer.

During the month of December, *Here We Grow*, in conjunction with the Auburn Police Department, ran a collection of toys & items for ages infant to 16 years old. As in the past, the children and families were very generous with their donations of toys, games, books, and other items for the older ones. This is one small way *Here We Grow* continues as an educational outreach program of First Congregational Church of Auburn.

Our holiday programs were held on December 20<sup>th</sup> and 21<sup>st</sup> with visits from Santa (thank you, Pastor Brian). The 3 and 5-day classes did a great job on stage singing a variety of holiday songs. Once again the 4-year-olds sang and signed "Happy Birthday to Baby Jesus." Our 2-day programs were done a little differently this year. Our goal was to avoid the anxiety some children have about getting on stage and performing. We did mini programs in the vestry with just a few family members attending. After the program on December 21<sup>st</sup>, the staff enjoyed their holiday luncheon and swapped gifts with each other.

We are busy preparing for the upcoming school year of 2013-2014. Visits will start in January with prospective new students and families. *Here We Grow* will be hosting an **open house** on March 6, 2013 from 12:30-2:00. This time is set aside for any new families looking for a preschool for their child or re-visits for those who have already been here.

With the holiday break over, I feel we can all settle down for the winter ahead and enjoy the rest of the 2013 school year. Until February, stay warm and healthy.

Sincerely,  
Dawn Murphy  
*Here We Grow* Preschool Director

### Bonsai Tree Needs Home

Carol Luther recently received an evergreen Bonsai tree as a gift. The giver was not aware that Carol is "horticulturally challenged." Bonsai trees need special care and watering. Those needs cannot be met at Carol's house so she is looking for someone who will take the tree for their very own. Is that person you? Or, do you know someone who would enjoy a Bonsai to have and to care for from this day forward? If so, please contact Carol at 508-752-8974 for delivery.

### From the Church Secretary

Dear Members of First Congregational,  
Thank you for remembering me once again during the Christmas season. You continue to be a huge blessing in my life. Many have indicated that they've been praying for my sister and our family and this means more than you'll ever know.

With much appreciation —  
Denise

## JANUARY TIDINGS FROM THE DIRECTOR OF RELIGIOUS EDUCATION

Happy New Year! I can't believe that a new year is upon us. The children are settling in and really enjoying the new curriculum. I want to thank all of those members who have helped out, and continue to help in Sunday school. I truly believe that a strong connection to the church when you are young will give you the foundation you need as a young person to seek out the church and God for guidance. With this said, I am in need of teachers for the rest of the year. This is only a THREE week commitment. I have all the information you will need and there are many choices for you within each section. If you feel so moved to spend some time molding our future, please speak with me after church.

Parents Night Out went off without a hitch. We had six kids and an abundance of games to play thanks to Here We Grow. The Potluck and Carol Sing as usual was filled with good food, great company, and very talented musicians. If you have not yet joined us, please come next year.

I pray that this year brings you all good health and happiness. We are all truly blessed to have such a caring and fun church family.

With His guidance, we serve —

Jean McPherson  
Director of Religious Education

### SAVE THE DATE:

We are planning to generate a new photo directory in May. We have dates reserved for photos which will be taken on site Friday and Saturday, May 3rd and 4th, and Tuesday and Wednesday, May 14th and 15th.

Look for additional information to come as these dates approach.

*I write to thank everyone for their gifts this Christmas. I appreciate your kind thoughts.*

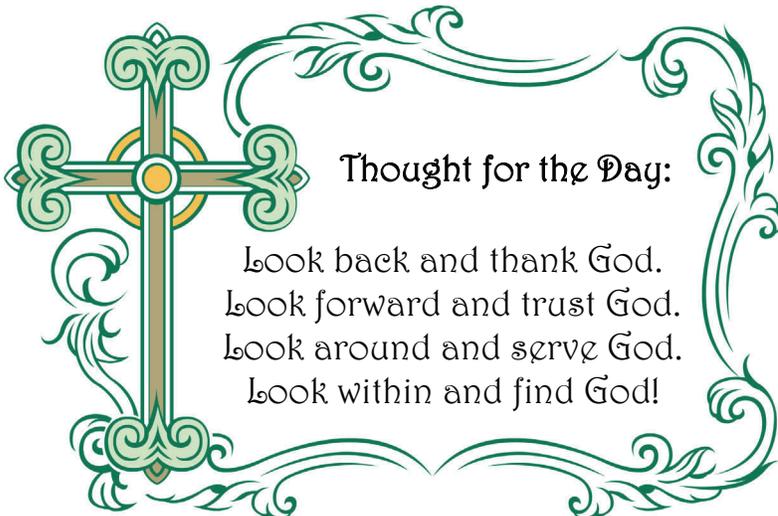

*I want to thank the Confirmands for leading a great Family Christmas Eve service. I am sure I will nitpick how fast you talked in the service, but everyone talked about how well you did and were happy to be able to understand what was said.*

*God bless you all and may God bless His Church.*

*Pastor Brian*

### Thought for the Day:

Look back and thank God.  
Look forward and trust God.  
Look around and serve God.  
Look within and find God!

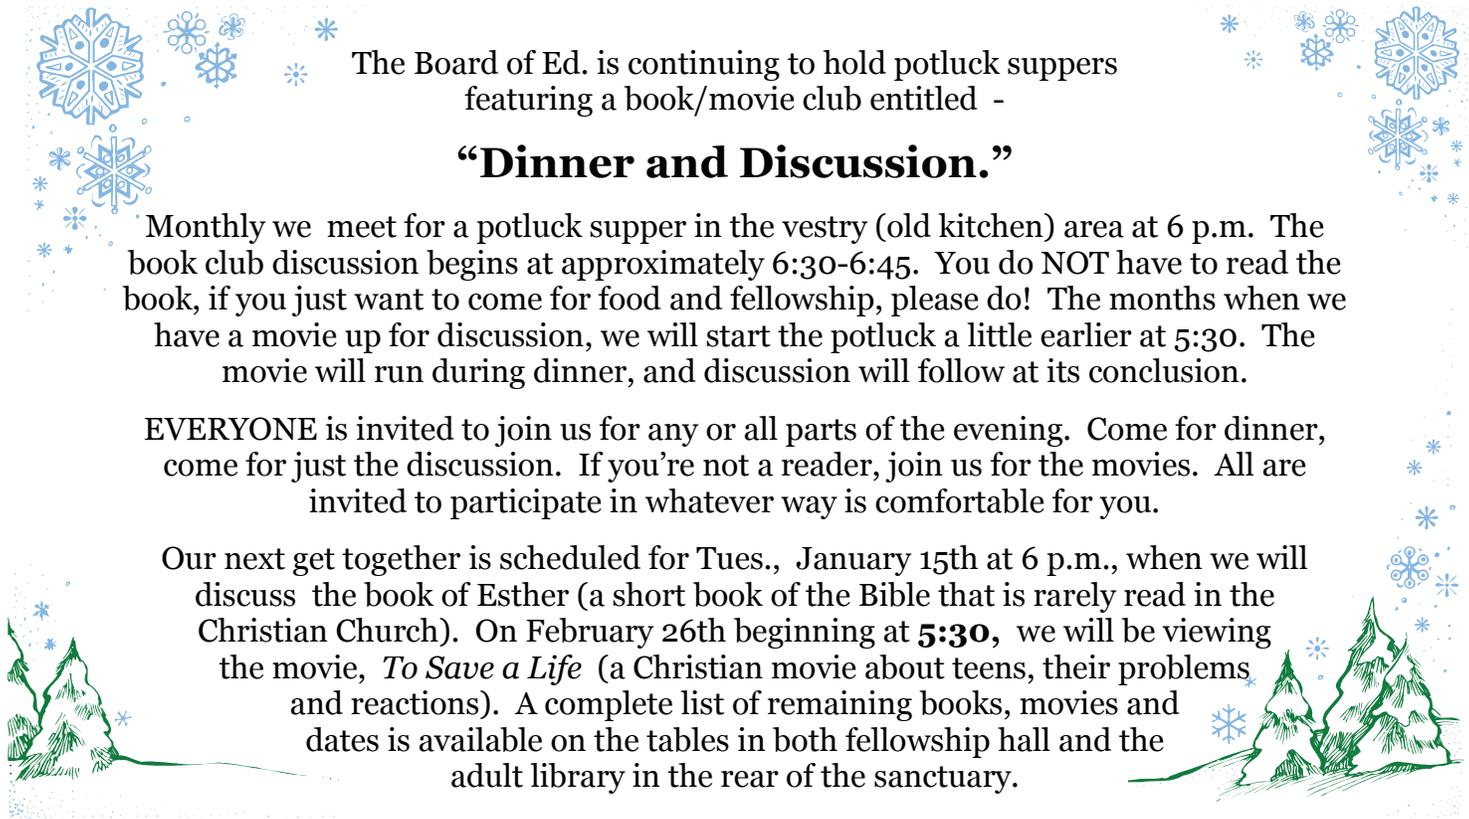

The Board of Ed. is continuing to hold potluck suppers featuring a book/movie club entitled -

**“Dinner and Discussion.”**

Monthly we meet for a potluck supper in the vestry (old kitchen) area at 6 p.m. The book club discussion begins at approximately 6:30-6:45. You do NOT have to read the book, if you just want to come for food and fellowship, please do! The months when we have a movie up for discussion, we will start the potluck a little earlier at 5:30. The movie will run during dinner, and discussion will follow at its conclusion.

EVERYONE is invited to join us for any or all parts of the evening. Come for dinner, come for just the discussion. If you're not a reader, join us for the movies. All are invited to participate in whatever way is comfortable for you.

Our next get together is scheduled for Tues., January 15th at 6 p.m., when we will discuss the book of Esther (a short book of the Bible that is rarely read in the Christian Church). On February 26th beginning at **5:30**, we will be viewing the movie, *To Save a Life* (a Christian movie about teens, their problems and reactions). A complete list of remaining books, movies and dates is available on the tables in both fellowship hall and the adult library in the rear of the sanctuary.
