

Herald of Good TIDINGS

"Get you up to a high mountain, O Zion, herald of good tidings; lift up your voice with strength, O Jerusalem, herald of good tidings, lift it up, fear not; say to the cities of Judah, 'Behold your God!'"

Hello, I am Pastor Brian, I look forward to being your pastor and getting to know you. I would like to tell you a little bit about myself.

I grew up a life long Red Sox fan, except for a short period in 1978 after the Bucky Dent incident when I lost faith. (I was only 10 or 11 and not yet used to heartbreak.)

I went to High School at Gould Academy in Bethel, Maine which skiers will know as the home of Sunday River Ski area. I played basketball there and did not ski, because when it got down to 50 degrees on the court practice and games were cancelled, while skiers still went out to the mountain when it was -30° Fahrenheit.

After High School I attended the University of New Hampshire; I left there with a BA in History. Following college I was an Army Field Artillery Officer for 5 years and took part in Operation Desert Storm. It was in the Desert of Iraq or Kuwait that I got my call to ministry. I went to Bangor Seminary after the Army and graduated with an M'Div in 1998. I was Ordained in the United Parish in Elkton, SD in 1999. I served my last parish for almost 10 years.

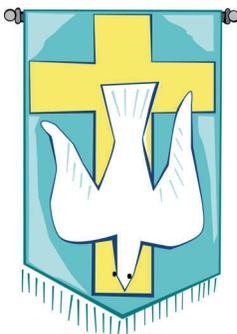

I have been married a little over 2 years (I think I told Jen Bohn it was 3 years, but my wife, Jenney, tells me the correct answer is 2.) Jenney is a South Dakota native and is a High School English and Spanish teacher. She teaches in several school districts using the computer technology that helps defeat the long distances people must face in South Dakota.

Jenney and I were foster Parents in South Dakota, and we will look into foster care in Massachusetts. All of our foster sons are on their own and are no longer living with us.

We are excited to be in Auburn and look forward to ministering to the church and in the community.

May God bless those who move in their travels and help them find a home with love wherever they lay their heads.

Brian M. Grover, Pastor

OUTREACH NEWS

On a non-rainy day, Sunday, May 22nd, 16 parishioners from FCC of Auburn, along with members from the Church of Worcester, came together behind Worcester's City Hall to join Rev. Liz Magill and Mary Eaton in an outdoor service for the public. The community time began in the morning putting sandwiches, snacks, drinks & socks together prior to the Auburn service; then, after (in Worcester) a time of sharing a meal and socializing with those in attendance from around the Worcester area; followed by a Church service led by Rev. Liz and Mary.

If you'd like to learn more about these weekly outdoor services, the website is:

<http://worcesterfellowship.org> . An excerpt taken from this website reads: "The primary cause of homelessness is poverty and isolation. To end homelessness, we need to end the poverty in our cities and in our nation. To end homelessness, we need to end our isolation from each other. Worcester Fellowship is dedicated to ending isolation for those living in poverty, both those presently with and without homes."

The Outreach committee would like to thank everyone that donated money, socks and t-shirts for this spiritual care. Plus a special thank you to our youth, 6 Confirmands and 3 others, that came and shared their smiles, friendship and youth ministry. This was a day of sharing, caring, learning and appreciating God's gifts for all of us through personal participation. As we heard repetitively during Worcester Fellowship....God bless you and thank you.

In love, hope, peace, understanding and generosity,

Outreach Members: Pat Bukoski, Sue Campbell, Judy Murphy, Deb Pranaitis & Sue MacPhee

FROM THE DIRECTOR OF RELIGIOUS EDUCATION

Well, this month brings to a close another Sunday School year. I want to begin by thanking my “angels” Beverly Scobie, Ellie Lowell, Katilyn Gardner and Connie Hanks.

Without your “extra hands” the children would never have been able to create such beautiful works of art. I truly believe that by coordinating an activity with the bible story, the children remember the story better. Thanks again ladies for stepping up to the plate.

Even though two of you don’t even have children in the Sunday School program, that did not stop you from taking time out of your worship to share your talents with the children and future of this church. I would also like to thank Janice Green for helping out by teaching the middle school kids. Every Sunday they would come looking for you, anticipating what you would share with them that week. I am ever so grateful for your gift.

This month also brings Confirmation Sunday. I believe the ENTIRE church needs to seek out Alex Brownell and say thank you for stepping up to the plate. It is amazing to me that someone that was new to the church, and just finished new member classes, would volunteer to lead the confirmation class. Although they had a late start, Alex did an excellent job of teaching the kids, not only the curriculum, but they also had visitors from every committee in the Church. They are now armed with information to make choices of what gifts they can share and which group will best fit their particular talent. Alex, without you there would have been no class and on behalf of the confirmands I thank you from the bottom of my heart. I also want to recognize Paul Gemme who volunteered to be the parent to assist Alex and me. Every Sunday Paul was there to share his insight with the kids.

We will have Children’s Sunday on June 5th. This year Children’s Sunday will coincide with Pastor Brian’s first service as our new pastor; it should be an exciting time for everyone. To celebrate Children’s Sunday and Pastor Brian’s inaugural service we will have a good old fashioned cookout immediately following service on the front lawn. The Board of Ed. will provide the burgers and hot dogs. We ask that everyone contributes a salad or dessert to the festivities (please see sign-up sheets in Fellowship Hall). I will have games for the kids, young and old, on the lawn. If the weather is not cooperating we will move the celebration indoors. Please plan on joining us and welcoming Pastor Brian and his wife, Jenny, to our family.

The following week will be Confirmation Sunday. Be sure to be a part of this very important step in these young peoples’ lives and welcome them into membership of the church. After spending so much time with them through their confirmation journey, I know we will be blessed by the gifts they will share with this Church. I already have one confirmand who has volunteered to teach in the fall. Speaking of teaching in the fall, WE NEED YOU. Please prayerfully consider assisting with the children of this church. We have a wonderful curriculum and very eager children waiting for your wisdom.

Please contact me or any BOE member if you are interested in helping in any form.

Thank you again to all who have helped me during this past year, and I pray you will all have a fun and restful summer.

With His guidance we serve,
Jean McPherson, Dir. of Religious Ed.

June 1- July 4 is Fireworks Safety Month. June 1 - 30 is Home Safety Month, Cataract Awareness Month, Men's Health Month, National Aphasia Awareness Month, and National Scleroderma Awareness Month.

JUNE 5TH is NATIONAL CANCER SURVIVORS DAY!
GOD BLESS YOU and your families for all you went through!

June 13-19 is Men's Health Week.

July only has UV Safety listed in the National Health Calendar, but this is a huge topic. The UV rays can cause skin damage which through melanomas can cause death. UV rays are also dangerous to your eyes. Sunglasses are strongly recommended.

UVA rays cause skin aging and wrinkling and contribute to skin cancer, such as melanoma. Because UVA rays pass effortlessly through the ozone layer (the protective layer of atmosphere, or shield, surrounding the earth), they make up the majority of our sun exposure. Beware of tanning beds because they use UVA rays as well as UVB rays. A UVA tan does not help protect the skin from further sun damage; it merely produces color and a false sense of protection from the sun.

UVB rays are also dangerous, causing sunburns, cataracts (clouding of the eye lens) and effects on the immune system. They also contribute to skin cancer. Melanoma, the most dangerous form of skin cancer, is thought to be associated with severe UVB sunburns that occur before the age of 20. Most UVB rays are absorbed by the ozone layer, but enough of these rays pass through to cause serious damage.

UVC rays are the most dangerous, but fortunately, these rays are blocked by the ozone layer and don't reach the earth. What's important is to protect your family from exposure to UVA and UVB, the rays that cause skin damage.

August is Children's Eye Health and Safety Month and National Immunization Awareness Month.

I'm hosting a flu clinic with the Auburn CVS on Sunday, September 18, 2011. The CVS pharmacist will bring everything needed and will set up in Fellowship Hall. If you are interested, I can obtain your insurance information ahead of time and work with Jim Higgins, Registered Pharmacist, to let you know if a co-payment will be required and, if so, what it will be. He will be sending more information, but the date is set for September 18th. So mark your calendars.

Please Have a Safe and Healthy Summer,

Debbie Pranaitis
Parish Nurse

Here We Grow Preschool

Same as last year, I'd like to thank Denise for reminding me that I needed to submit *Tidings* for June, TODAY!!!!

Here We Grow will be graduating on June 7th, 8th, 9th, & 10th. It is always a busy, yet exciting, time of the year for everyone associated with ***Here We Grow***. With graduation fast approaching, we go forward with many mixed emotions. It is a time when we will be saying good-bye to some families we have known for quite a few years. But, with that, it is also a time when we will be bringing in a group of new families. At this time, we all would like to say thanks for the support and memories that we have all been part of these last few years.

On May 11th & the 18th, the 3-day and 5-day program classes visited The Discovery Museum in Acton for their end-of-year field trip. The weather was wet, but that was okay since we had planned an indoor field trip. The children spent their day inside exploring the many different rooms at the museum. On May 26th, the 2-day program classes visited Stowe Farm. The children had a hay ride, visited and fed live animals and planted sunflower seeds and played in the playground. The weather was great. All three field trips went off without a hitch. It was also nice to support two non-profit organizations.

At the closing of this school year our enrollment for 2011-12 school years still has a few openings. Hopefully, we will pick up a few more children during the summer break. If you know of anyone looking for a 3 year old or 4 year old spot, please send them our way.

Our two weeks of summer program is just about filled. Week 1 (6/20-6/24) we have 4 spots left (Wild, Wild West); week 2 (6/27-7/1) we have 5 spots left (Lost in Space). The teachers working summer camp are Helen Ethier, Cristi Corey, Pam DiLeo, Lisa Whitley, Kara Murray & Dawn Murphy.

In closing, I'd like to wish all Church members and their families a safe and fun-filled summer. See you in the fall.

Until September,

Dawn Murphy

**FIRE ALARM FUND**

You may have noticed that work is underway on the installation of our new fire alarm system! We have already received a \$10,000 anonymous donation to start funding this system, and anticipate we will need an additional \$25,000. If you would like to contribute, please write "Fire Alarm" on your donation. Thank you!

MINISTRY OPPORTUNITY

There is a new transitional house on the east side of Worcester being prepared for men in recovery, the Hector Reyes House. The house could be ready for occupancy, but is lacking in electricity, some carpentry and beds. If you are interested in helping out in this hands-on service for Christ, or have a mission team ready to get to work, please contact the director, Matilde Castiel at Matilde.Castiel@umassmemorial.org.

Mattie is hoping for help with painting, carpentry to fix a deck, wall repairs, and the electrical hook up of three ranges. They are also hoping for help in furnishing the nine bedroom house with bedding, dishes, pots and pans, living room and bedroom furniture. The outside could use a little TLC, too, with some yard work and fencing.

This is a program giving men an opportunity for new life. It's meant to be a hand up, not a hand out.

May we be blessed as we seek to be the heart, hands and voice of Christ in the world.

AWARD RECIPIENT

Congratulations to Louise "Weezie" Powers, recipient of the Milton P. Higgins Award for Distinguished Service to Bancroft School. Louise was presented with this award at a dinner held on May 21st at the school. Retiring from Bancroft this June after 38 years of employment, Louise began her service to the Bancroft School community in 1973 as the School Receptionist, where she was a sought-after resource for students, parents and faculty alike. In 1994 she was promoted to the role of Bancroft's Special Events Coordinator. Since then she has facilitated hundreds of division and all-school events and assemblies, concerts and performances, Commencements and closing events, as well as a wide range of activities and projects while serving as the formal staff liaison to the Parent-Faculty Association. Over her 38 year career at Bancroft, Louise has had a hand in supporting just about every aspect of Bancroft life while serving as a confidante, advisor and mentor to several generations of students, and assisting faculty, parents and visitors.

We, "Weezie's" Church Family, would like to take this opportunity to recognize her many professional accomplishments and wish her well as she and Paul, her husband, begin this new chapter in their lives. (So, please take a minute the next time you see Louise to congratulate her on her recent award!)

Please take a moment to enjoy the beauty of the recent addition to our courtyard landscape. A tree has been planted in memory, of *Here We Grow* parent, Karyn Slomski. You may recall that, sadly, Karyn lost her battle with cancer at the beginning of the school year.

We owe our appreciation to Don Post and his daughter, Cindy, of the Farmer's Daughter for their generous donation of not only the tree, but site preparation materials as well. Thank you Don and Cindy!

Church World Service - Blankets+

Blankets+ (formerly called Tools & Blankets) is a special mission opportunity that can involve all ages. Some 8,000 congregations and groups across the United States hold CWS Blankets+ events, providing funds to help people in need around the world, including the U.S.

Your contributions provide the means to transform lives and communities when they are faced with an emergency or simply struggling to put food on the table. For over 60 years, Church World Service has worked in partnership with local communities to identify their needs and access the resources they need to build the foundation for a more viable future, including:

- Blankets, tents, food and other emergency supplies in the wake of a disaster
- Tools and seeds for refugees returning home to replant their fields
- Wells for families living in drought prone areas to provide clean, safe water to drink and to irrigate crops and gardens
- Literacy training and microcredit for women struggling to realize their potential.

Church World Service Blankets+ . . . It's about blankets and so much more!

Please make checks out to First Congregational Church and note "Blankets+" in the memo section. You can place an offering in the collection plate on Sunday, or mail it to us at First Congregational Church, 128 Central St., Auburn. Also, if you would like to make a donation in honor of a loved one, CWS has provided us with cards for this purpose. Look for a sample card on the table in Fellowship Hall. (There is no charge for the cards when making a donation.)

Congratulations to Michael Fant for recently achieving the rank of Eagle Scout through Boy Scout Troop 101, chartered through First Congregational Church in Auburn. We commend you, Mike, on a job well done!

Library Tidings by Gloria Whitehead

Summer is within reach and so are books in your Church library. If possible, make time to scan through some of the old books, too. I came upon *Lads Before the Wind - Adventures in Porpoise Training* by Karen Pryor. With porpoises, beluga whales and sea lions occupying much of granddaughter Emily's life and work currently, I pulled the book for her to read. It had been given to the library years ago by Mrs. Abbie Wiley who became a Church mentor in the 1930's and I thought Emily might enjoy reading about how things were done years ago. I couldn't believe it! "That's my favorite book," Emily exclaimed. The author was one who had created early techniques in training these sea worthy creatures. So browsing might create a surprise for you, too.

Quite a few new books have been gifted lately and Charlotte Steffen is reading *Mistaken Identity*, donated by Sue Klaucke. Charlotte will be writing something about this true story which Sue says is incredible. Authors are Don and Susie Van Ryn, and Newell, Colleen and Whitney Cerak.

Are you trying to save on gas and sometimes have a bit of a wait between engagements rather than make another trip later? Is your salle de bain the reading room for daily devotions or could one of the following books listed be great while waiting for the kids to finish swim class, tutoring class or the like OR supply a few thoughts before dropping off to sleep? All have been featured before, are small and, at the most, are a tad over ½ inch thick. As follows:

- 1) *What Would Jesus Do to Live in Love Each Day?* By Carol Luebering
- 2) *What Would Jesus Do to Find Meaning in Suffering?* By Carol Luebering
- 3) *What Would Jesus Do to Live Anew After Loss?* By Daniel D. Grippio
- 4) *Random Acts of Kindness* by the editors of Conari Press
- 5) *Don't Sweat the Small Stuff for Teens* by Richard Carlson, Ph.D.
- 6) *Life's Little Instruction Book (511 Suggestions, Observations and Reminders on How to Live)* by H. Jackson Brown, Jr.

Last, but not least, there are at least 10 novels in a series by Miss Read. She's written so much about the English countryside that it's amazing that the first 7 years of her life were spent in London. She had a marvelous relationship with both grandmothers, and thus, the title, *A Fortunate Grandchild*. There are frequent and wonderful sketches throughout this book situated in the shadow of the First World War.

A huge thank-you to everyone who has contributed towards Tori and Devon's People to People trip. Whether it be a monetary donation . . . attending and/or helping out at the fundraiser spaghetti suppers . . . contributing items to the raffle and/or purchasing raffle tickets . . . whatever your support, we wish to express our heartfelt appreciation.

Harry L. Wojciak

Harry L. Wojciak, 82, of Auburn died peacefully on Saturday, April 30, 2011 at the Golden Living Center - The Hermitage, Worcester, following a 6 year battle with lung cancer.

His wife, Shirley Y. (Larson) Wojciak, predeceased him. He was also predeceased by his daughter, Deborah; his 2 sisters, Sr. M. Romaine and Sr. M. Josita, and by his 6 brothers: John, Edmund, Stanley, Walter, Wallace and Thadeus. He leaves his 3 grandchildren, Lynn Conway, Robert Kovacs and Lauren Lizotte, and 4 great-grandchildren.

Harry was born and raised in Worcester where he lived until moving to Auburn in 1999. He graduated from the former Commerce High School and the Worcester School of Business Science. He worked for the Shakour Company, Quality Seafood Co., and as a part-time cashier for Shaw's Supermarket in Auburn. He was a proud Navy veteran of the Korean War. He was a member of the Chester P. Tuttle American Legion Post, the Polish American Veterans, the Joel H. Prouty Lodge of Masons and the Scottish Rite Bodies. He was also a member of our Church, serving as Deacon for several years, and will be greatly missed.

Britton - Wallace Funeral Home handled arrangements with a funeral service here at our Church on Wednesday, May 4th, followed by burial at Worcester County Memorial Park in Paxton.

Please keep Harry's loved ones in your thoughts and prayers.

BACK TO HAITI

As you may or may not know, Randy and I will be returning to Haiti this fall (October 3rd – 12th). We will be traveling with Monadnock Bible Conference again, but this time we will be part of a medical mission that provides free medical care to the people of Haiti. In Haiti you have to pay "up front" for any medical care. The clinics provided by MBC may be the only care these people receive. It is also quite common for collections to be taken from the missions team to provide for surgical procedures that can not be performed by the clinics themselves such as hernias, abscesses and other more in depth treatments. We will also be spending some time with the orphans from Redeemer's Child Orphanage and checking out the progress on the new orphanage we broke ground on last November.

"MBC ministries, are mercy and compassion based but do not diminish or lack the power of the gospel. At MBC we see it as counterintuitive and disingenuous to see a brother or sister in need and say, 'Go, I wish you well. Keep warm and well fed' and yet do nothing about it. The Haitians have a proverb; 'sak vid pa kanpe' an empty sack doesn't stand up, meaning a hungry person can't do anything. This person is so overwhelmed by their condition that words are seldom heard, but actions are understood. As we meet physical needs (hunger, thirst, naked, sick . . .) we have the opportunity to speak to spiritual needs in Jesus' name."

As the time for our trip draws closer, we **may** take up a collection for some over the counter medications and such, but right now what we really need is our Church's help to get there. The Outreach Committee has generously donated \$500 for our trip deposits, but we still need to raise a minimum of another \$2,200 (maybe more depending on what the ongoing crisis in the Mid East does to gas prices, and therefore, airfare). **We are so grateful** for your ongoing support and love.

In His Service,
Jennifer & Randy Bohn

Thank you in advance and God Bless,
Cindy Dube

Are you a history buff??

George DuHamel is retiring from his 20+ years as Church Historian. He, along with his daughter, Paula Lubin, have been providing us with many insightful messages on the history of First Congregational Church as well as the Town of Auburn, Massachusetts. We would like to take this opportunity to give a BIG thank you to them both for their many years of sharing a historical view of our place in this community.

The Nominating Committee is putting out the call in search of a new Church Historian to fill George's shoes. If you enjoy history and all that it encompasses, and want to immerse yourself in the archives of both FCC and our town, please speak with Pat Bukoski or Michele Schillinger.
