# Herald of Good TIDINGS

**“Get you up to a high mountain, O Zion, herald of good tidings; lift up your voice with strength, O Jerusalem, herald of good tidings, lift it up, fear not; say to the cities of Judah, ‘Behold your God!’”**  
**Isaiah 40:9**

## FROM THE PASTOR

### “April Showers Bring May Flowers Part 2”

As a child, I remember looking out the screen door at the rain falling. It meant another day that I had to play inside. In the days before video games, playing inside was the worst. My mom did not want me making loud engine or explosion sounds. I was not to run around and crash into things. Playing indoors was supposed to be quiet play. Quiet and fun play were not possible when I was little. My play involved battles, race cars, or construction equipment, all of which were very loud.

When it rained, my mom liked it quiet. I think the rain helped her sleep. For some reason the sounds of the Indy 500 or WWII did not help her sleep. I understand her now, but at the time it was a horrible burden. My mom saw that I wanted to be outside even in the rain. What did I care about muddy clothes or getting the sniffles?

My mom would try to lift my spirits with a favorite saying, “April showers bring May flowers.” That saying was supposed to teach me that the bad thing today would bring benefits later. As a young boy, May flowers weren’t really a benefit.

I remember often going flower picking in May with my mom. We would walk along the river bank and pick tiny little bluish-purple flowers. We would take flowers to my Grammy Lizotte and keep some in a vase at our house.

Picking flowers was a great way to fight boredom. I would pick buttercups, devil’s paintbrushes, may-flowers and, of course, the ever-popular dandelions. I would then give them to the women in my life — babysitters, grandmas and my mom.

It made them happy, and it was an easy thing for me to do as these flowers grew like weeds wherever I went. All that beauty came from a few days of rain. Not a bad trade off.

So when I hear the rain fall on the roof, from time to time, I think of that young boy who wanted so bad to play in the mud and hated naps... and I lay down and take a nap. I have become more like my mom than I like to admit.

God Bless,

*Pastor Brian*

### CWS (Church World Service) Emergency Response Fund: Russian Invasion of Ukraine

Russia's military aggression in Ukraine has triggered a massive humanitarian upheaval. Ukrainians have crossed into other countries in search of safety. "At this rate, the situation looks set to become Europe's largest refugee crisis this century," the UNHCR (United Nations High Commissioner for Refugees) said. Ukraine has already been a leading country of origin for refugees arriving in the United States due to Russia's annexation of Crimea in 2014, with more than 10,000 Ukrainian refugees resettling in American communities the last five years.

CWS will respond to meet the needs emerging from this crisis. Our staff and partners in Europe are carefully monitoring the unfolding emergency. We are in deep conversation with our teams who work with migrants and refugees in Balkan nations, our local partners in the region, and international coalitions to assess emerging needs and create response plans accordingly.

In the United States, CWS is one of nine resettlement agencies that implements the U.S. Refugee Admissions Program. We stand ready to welcome Ukrainian refugees who will arrive in American communities in the coming months and years. Our teams have proudly welcomed Ukrainians for more than a decade as part of our work addressing the global refugee crisis. We continue to fight for a robust system through which people who have been displaced from Ukraine, Afghanistan, Myanmar (Burma), Tigray, Syria and many more countries of origin can access pathways to rebuild their lives in peace.

We are establishing the Ukraine Crisis Response Fund to offer humanitarian assistance to people displaced as a result of the violence and bolster partners in Europe to serve the most vulnerable.

You may donate to CWS by making a **check out to the church and noting Ukrainian Relief in the memo**. Donations may be placed in the Sunday offering or mailed to the church: 128 Central St., Auburn, MA 01501.

## FROM THE DIRECTOR OF RELIGIOUS EDUCATION

Christ is Risen! He has risen indeed!

What a glorious Lenten season here at FCC Auburn. We closed the season beginning with Palm Sunday, which was very successful. We had many children here for our breakfast and our Easter egg hunt. There was joy and laughter throughout the church and it's campus. The sun was bright, and the air was crisp. Praise God for a wonderful day!

Maundy Thursday was a sad night here in the sanctuary. It was my first time sitting in front of the altar alongside Pastor Brian and 7 other church friends. We read about the last night of the Passion of Christ. It was very moving and something I will never forget.

I was pleased to see a couple of our youngsters in the pews. As much as we want to shield our children from the drama and sadness, sometimes it's necessary for them to experience it. This was a great example of that. We learn in Sunday School that Jesus died on the cross for the forgiveness of our sins. But the suffering that Jesus endured leading up to his crucifixion is not discussed as often or in much detail. Perhaps I should revisit how that is taught, for our older children, next year.

Easter was lovely! The confirmands did a great job leading the sunrise service at 6 A.M., accompanied by Michael Schillinger on guitar and Pastor Brian's sermon. To be honest, I was surprised at the turn out. We had about 40 people or so! It was chilly but warm to our soul. The 10AM service was magical! The sanctuary was bountiful with seasonal flowers, and our church family was dressed in their Sunday best, including our youth! The morning was filled with Hallelujahs and exaltation!

What a wonderful month May is! The flowers are already starting to bloom. My weeping cherry tree is in full bloom as I write. Time to turn over the soil and plant early spring vegetables. This month signifies new life. A fresh new beginning. Jesus has overcome death so that we can ascend to Heaven and be forever citizens. May, the month following Easter this year, is a time to embrace the threshold of the next year and remember lessons learned from the past.

Thank you so much to all the volunteers, parents, parishioners and, of course, our amazing Board of Christian Ed. for supporting me and our Sunday School Program!

Peace and Love,

Shannon Hartmann  
Director of Religious Education

### Walking Group

Cindy Dube is looking to form a walking group and you're invited! If interested, join her at 10 a.m. on May 14 at the Horgan/Rocket Land track located by the playground.

### **Here We Grow Preschool**

It doesn't seem possible that it is already May; it feels like the time is just flying by. Now if only Mother Nature would cooperate so we can spend more time outside, we would be grateful.

As we enter the last full month of our school year, I wanted to share some of our favorite activities that get the kids up and moving, especially on these cool, rainy spring days. Building an obstacle course, either indoors or outside, is a lot of fun and simple to do using everyday items. Dancing, just put on any music and get grooving, or play the freeze dance by randomly stopping the music and striking a pose. To practice shape/letter/number recognition, write numbers/letters or draw shapes on the driveway and hop from one to another and call out the name of what you land on.

Some other less active activities that we love, Play-doh! It is so great for increasing finger/hand strength as well as their imagination. Add some child-safe scissors to the Play-doh and practice cutting. Getting a lot of junk mail? Let your littles help rip it up. Show them how to use their pointer and thumb to grab the top of the paper and tear, such a huge lesson to learn, especially when it comes to opening juice box straws. I love using washable markers on my windows, or sliding glass door, we play tic-tac-toe, practice letter/number formation and it's so easy to clean. And always Read, Read, Read, there is nothing better.

We still have openings for the 2022-23 school year if you know of anyone looking for a great preschool experience, please send them our way.

Need a break from cooking dinner? We will be hosting a Papa Gino's fundraiser again on May 25, 4-9pm! Mention Here We Grow when ordering and we receive 20% of each order.

We want to wish all the moms and grandmoms, a very Happy Mother's Day!

As always thank you for your continued support of Here We Grow, stay safe and healthy.

Until next month,  
Cristi Corey, Director  
**Here We Grow** Preschool

### **CWS Blankets Program**

When difficult times happen, a kind and loving response can make all the difference. That's why the CWS Blankets Program was created—to give a kind, loving and tangible response to someone facing a difficult time, reminding them that they are not alone. Through the generosity of CWS partner organizations, congregations and individual supporters, our most vulnerable neighbors around the world can feel safe and keep warm with fresh linens and clean sleeping quarters. When our neighbors are in need, even \$10 for a single blanket goes a long way. If you would like to make a donation, checks should be payable to the church with "CWS Blankets" in the memo section and may be placed in the offering plate on Sundays or mailed directly to the church at 128 Central St., Auburn, MA 01501.

Cards are available if you would like to make a donation in honor of a family member.

Please keep the Carlson Family in your prayers due to the passing of Alice Carlson on April 26, 2022. Funeral arrangements will be held privately. An obituary was not available at the time of printing.

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die;" John 11:25 (NIV®)

## FROM YOUR OUTREACH COMMITTEE

Founded in 2010 by Chef José Andrés, World Central Kitchen (WCK) is first to the frontlines, providing meals in response to humanitarian, climate, and community crises while working to build resilient food systems with locally led solutions. WCK has served more than 70 million fresh meals to people impacted by natural disasters and other crises around the world. WCK's Resilience Programs strengthen food and nutrition security by training chefs and school cooks; advancing clean cooking practices; and awarding grants to farms, fisheries, and small food businesses while also providing educational and networking opportunities. Learn more at [wck.org](http://wck.org).

"You see, food relief is not just a meal that keeps hunger away. It's a plate of hope. It tells you in your darkest hour that someone, somewhere, cares about you."

This wonderful program was brought to our attention by Pat Bukoski and we could not be more excited to support this wonderful mission. World Central Kitchen is already working in Ukraine along with many other locations.

To get the maximum bang for our buck our Outreach Committee will match all donations, up to \$500, to support **WCK**. Your donations can be given to any Outreach Committee member or placed in the offering plate clearly marked **World Central Kitchen**.

We highly encourage you to check out the World Central Kitchen website to learn more about their wonderful work.
